

MEMORANDUM

TO: Nursing Facility Administrators

FROM: Jane Sacco, Chief
Division of Long Term Care Services

SUBJECT: Quality Assessment Reporting and Payment – FY 2017

DATE: August 31, 2016

The purpose of this memo is to provide information regarding the requirements for quality assessment reporting and payment for Fiscal Year 2017. As in previous fiscal years, the Medicaid Program is using electronic reporting and payment methodologies.

For FY 2017, the assessment amount is \$25.00 for all facilities subject to Quality Assessment, except for the five facilities that reported the most Medicaid days of care for FY 2015. For those five facilities, the assessment amount is \$5.50.

Reporting Days of Care

Facilities shall report applicable days of care using the electronic format designated by the Program. Copies of the formats with instructions for completion are attached. Please note that the formats have been modified to enable facilities to report adjustments from prior fiscal years. Also, in the format that is used for all but the top five Medicaid facilities, the format no longer contains a drop-down box with the list of facilities; this enables new facilities and those with recent changes of ownership or name change to use this form. The forms and instructions are also available for download at (scroll to bottom of page):

Reports shall be submitted via e-mail to dhmh.qualityassessments@maryland.gov. The subject line shall contain the following:

(Facility Name) – FY 2017 – Quarter (#)

Please note that reports must be submitted no later than 60 days following the last day of the quarter being reported, i.e. 11/29/16, 3/1/17, 5/30/17, and. 8/29/17. Facilities that fail to submit reports by the deadline are subject to suspension of Medicaid payments.
